This is probably one of the best books that I've ordered in a long time!

The pictures in this book are awesome and soo unique.

Each time you open this book you can create a different story, not only that but each page could be their own mini story. I have 6 niece and nephews all under the age of 10 and they love this book!

This is also an excellent book for any age.

The shipping is very fast as well I ordered this book right before Christmas and it arrived on time for Christmas!
