We know that our approach to leadership and mental training is counter-cultural and very impractical. This book is NOT for everyone. If you're looking for a quick fix or the ABC's to being a great leader, please look elsewhere. But if you're looking for a guide that will help you become the person you are meant to be, welcome.

TRANSFORMATIONAL is the key word here!

By William Phillips

I have read dozens of book on leadership but Impractical Guide, along with Joshua & Jamie's other book, Burn Your Goals, has had the greatest impact on me personally and on my leadership philosophy. This book will change how you view your life, your purpose and those around you. This a must-read and a great resource for all leaders and coaches. Joshua and Jamie truly have a passion for helping people grow and better themselves and it shines through in this easy-to-read yet thought-provoking book.

... to Becoming a Transformational Leader is one of the best leadership books I've ever read

By Chad Parks

An Impractical Guide to Becoming a Transformational Leader is one of the best leadership books I've ever read. This book is clear, chock-full of wisdom, and applicable now. As a sports coach, parent, and business leader, I'm pressed to find a better guide to success than what Medcalf and Gilbert have brought to the table. This is a book I will share with friends as well as read again and again.

Well done! Required reading for teachers, coaches, parents and all others with a pulse.

By Drew Molitoris

Easy to read. Extremely applicable stuff. Tons of strategies and ideas that you can use personally and translates extremely well into information that teachers/coaches can share with their students/players. Started taking notes and ended up practically retyping the entire book. Well worth the investment!
