I'm sooooo disappointed with my purchase

By asano kinjo

I'm sooooo disappointed with my purchase. I bought this book (kindle) because I have 13th edition from same publisher and I really like it so I decided to buy 14th edition. Unfortunately everything is exactly same as 13th edition (Model test as well ). Who made a same book with different title !? I wish I could take this back...0 of 0 people found the following review helpful.
