Beach Houses features a stunning array of the most ambitious examples of residential design at the sea. From a minimalist dwelling on a remote island to an apartment complex high above the sea to a luxurious holiday villa in an urban setting this, this volume brings together a collection of remarkable houses designed by well-known architectural firms as well as interesting approaches by local architects. The contemporary beach houses from across the world featured in this volume harmoniously adapt to the surrounding landscape while embracing the seaside lifestyle with sumptuous interiors and outdoor living spaces and balancing casual-cool and opulence. They answer today's aesthetic, functional and ecological demands, while at the same time underscoring the uniqueness of the seaside location.

Good beach house coffee table book

By stephwillie83

Makes a good coffee table book. Good gift for the beach house lover or new beach house owner. More the lovers of architecture and unique homes; doesn't really provide ideas or inspiration for the average beach-goer or beach house owner.

0 of 0 people found the following review helpful.

Great book

By Debbie

This is a great book, beautiful illustrations, and gave me some great ideas for the house we are about to build
