Of what fun it is to jam

By GJC

The title is the best review for this product as it is what it is. A collection of jazz carols that allows the instrumentalist (or vocalist) play along. Great fun for those of us who no longer play in bars or bands but want to jazz out every once and a while.

Year 'Round Fun for Christmas

By George Hostler

Hal Leonard has done it again with this tasteful mix of Christmas fast tempo classics, ballads, and waltz. One of my favorite tunes has always been the swing jazz rendition, "Let it Snow!, Let it Snow!", by Count Bassie with the tenor sax solo as played. At first I was skeptical with salsa used instead, but the backing band is well versed and now has become my favorite tune in the book. The book has a mix of fast and slow. "Rudolph" is fast swing, "Chestnuts Roasting on an Open Fire" is slow ballad, giving the playing improvisationist a wide variety of genres for the listening ear. This book is excellent for the upcoming artist or the accomplished pro for fun playing.
