Review

"I love the Cornerstones of Managerial Accounting. The format of this book helped me solve teaching issues by showing clear and understandable examples students can refer to and get started using right away. I love Cengage Now for the homework, particularly the ability to assign problems that students can practice over and over with different numbers."

"I appreciate the variety of resources offered for the Cornerstones of Managerial Accounting. Students learn in different ways. The materials allow me to guide students to those resources that might be most effective for their individual learning style. It also allows me to use a variety of approaches in the classroom."

"The additional resources presented are a great start in helping faculty to motivate students to learn."
