CROSSDRESS TO IMPRESS: FASHION, BEAUTY & STYLE ADVICE FOR CROSSDRESSERS & TRANSGENDER WOMEN BY LESLEY SCOTT PDF

The "Impress" part of this book's title came about while talking fashion with a crossdresser named Miss Carly. She loved all the various tips, techniques and secrets I've acquired after more than two decades in the fashion business - including my ongoing gig as Editor-in-Chief of the popular fashion-trend blog I founded in 2004 called Fashiontribes.com. When you've written countless articles for lifestyle publications the world over, hit the pavement trendspotting and styled a boatload of photoshoots (I used to be a stylist in NYC), you learn what it takes to develop a look. Which is what Miss Carly found most confusing.

Now, if you're like Miss Carly, you love your drunk e-shopping in the wee hours. How else to fathom those inexplicable 80s-hair-band spandex leggings? Things adorned with unicorns and rainbows? And zebra-print...everything. (Gurfriend claims to have zero recollection of ordering these. I would, too.) Drunk shopping only works if you know what you're doing. No, not just being able to find the Amazon Prime Buy button when you're half in the bag, but following a plan. If you just pick up random stuff here, there, wherever - you'll end up with a crossdressing closet stuffed to the gills and "nothing" to wear.

Translation: "I can't seem to pull an outfit together that projects the image I want."

Hence Crossdress to Impress.

As your chatty tour guide and fashion interpreter, I will point out various interesting landmarks and noteworthy features in the landscape, pretty much whatever I think will make your crossdressing journey more fun and inspired. Including where to find the coolest clothing, nab the chicest accessories, score fab wigs and stock up on makeup must-haves & just-for-funs (lipstick "tattoos" & eye shadow "stickers" anyone?). I also discuss why women's clothing sizes are such a mystery and include male-to-female conversion charts for undergarments, fashion and footwear. Plus I found an interesting array of books & downloadables you might enjoy, as well as some cool fashion & makeup apps...technology is a beautiful thing that can assist with turning you into one!

And pulling everything together into a coherent image is easier than you might think. All you need is a style mentor. So I came up with a shortlist of ten timelessly stylish lovelies for you to choose from. These ladies - and one gender-bender - spent many years and much cash perfecting their look. They know what they're doing when it comes to wielding the power of fashion, hair, makeup and style to craft an image.

Once you choose your mentor, I will step you through:

- *what size you wear in women's clothing, bras, undergarments and footwear;
- *how to use shapewear to create a feminine figure;
- *what to flaunt and which clothing colors flatter you;
- *how to accessorize;

- *the only purses you need;
- *hosiery: selecting it, wearing it, caring for it;
- *which heels to have and how to walk in them with poise & grace;
- *the dish on makeup, wigs and hairstyles;
- *how to pull your look together, from the top of your bewigged head to the tip of your femininely-shod toes.

Time spent with your style mentor will teach you how to dress your femme side as she deserves. Where I come in is showing you where to find everything and how to pull it all together. Your own crossdressing chic will not only become top-notch, but as you continue to "invest" (um, okay, go on drunken e-shopping sprees in the middle of the night), you'll find that from the spendiest frock to the teeniest bit of bling, you'll enjoy a lot more confidence in your choices as you plunk down your plastic.

Few things are as much fun as nailing the fashion side of things. When your outer sartorial shell accurately represents your inner femme self, hello...I'm feelin' fabulous!

Which is priceless.

THE definitive work on cross-dressing, and fun!

By Miss Carly

Cross Dress to Impress is the definitive work on cross-dressing.

Lesley Scott has created a remarkably well crafted book.

The lovely, and striking(!), Miss Scott is a gifted and accredited writer, a dedicated and tireless researcher, knows the interweb and the fashion world like the back of her hand, and is a remarkably delightful conversationalist over a shared appetizer, al fresco is best!

The read is a delightful mix of savvy perspective, hard facts, bountiful references, and all delivered with a whimsical serendipity. It is a fun read! Think Disneyland, with wicked eyeliner!

Lesley credits all her sources, (to her credit!), and shares a warmth and acceptance of us.

Her positivity, and her wicked sense of humor helps make this book totally f awesome!!!

Plus, fabulous moi is on the cover!!!

Kudos, Lesley!!!

A CD manual

By Colette Kruse

Straight forward book with lots of great hints and tips. It is more of a reference manual than a "straight" read. I have gone back and forth on more than a few occasions. Highly recommend ...
