### About the Author

Israel Houghton has garnered acclaim as one of Christian and Gospel music's foremost worship leaders, songwriters, recording artists, and producers. Engaged in full-time ministry since 1989, Israel has touched the hearts of millions across the globe through his anointed, God-inspired music.

In 1995, Israel and his wife, Meleasa Houghton, founded New Breed Ministries, an organization comprised of noted musicians and singers who serve within their respective churches and together serve the Church at large.

With a desire to draw people of all races, ages, and cultures together through worship, Israel and New Breed began melding sounds and songs to create music that breaks down barriers and defies categorization. Not an easy task, but it seems effortless for Israel who laughingly describes himself as "a black kid who grew up in a white family in a Hispanic neighborhood."

Together with the vocalists and musicians of New Breed, Israel uses his own multi-cultural upbringing as a reference point. "It's not a white sound or black sound, it's a Kingdom sound," explains the songwriter and producer.

Although their popularity had been growing steadily since the group's inception, they were catapulted into the limelight during 2005 with the release of their gold-certified CD, *Live From Another Level*. They followed this success with two others—the release of *Alive in South Africa* in late 2005, and *A Timeless Christmas* released in the fall of 2006. The accolades continued to flow including multiple Dove Awards and Stellar Awards, a Soul Train Award, and a Grammy Award. The group has also made numerous appearances at high-visibility events including the The Stellar Awards and The Dove Awards presentation shows, as well as BET's *Lift Every Voice and Celebration of Gospel*, TBN's *Praise The Lord*, and CBN's *The 700 Club* to name a few.

All the while, this dedicated group of ministers continues to tour extensively and to serve at their local churches. But, even with such busy schedules, Israel and New Breed have recorded two more CDs—*Sound*

of the New Breed: Freedom, a studio album currently in stores, and A Deeper Level, a live CD that released in September '07.

Israel Houghton continues to serve as a worship leader at Houston's Lakewood Church. He and Meleasa make their home near Houston with their three young children.

Get Spiritually Real!

By Viviane Crystal

Israel Houghton challenges you to deeply explore and live your spirituality - today! Worship leader of Joel Osteen's Lakewood Church and Grammy Award-winning artist, Houghton quickly describes how fame and fortune are NOT the answer to a successful, vibrantly alive ministry. Indeed, that path begins IS a consecration of one's life, which means that the sacred penetrate every facet of one's mental, emotional, and physical experience. This is not a book for dabblers or observers!

Houghton and the New Breed Band ministry set aside a forty-day time period in which each person would conduct a media fast, healthier lifestyle and deeper prayer. The latter would mean more listening and perceiving rather than talking about one's desires or needs.

The results have been outstanding for each member and the band as a sacred body. Naturally the gap was filled with awareness of relationships needing forgiveness, an invitation to commune with God both with and without the Bible, a relinquishment of self-directed or useless busyness, a clarity about what foods or activities are actually essential to life, a union with God in place of ego-driven performance, an emphasis on spiritual character rather than visible talent, seeing the blessings in whatever comes one's way, and so much more. Each band member comments on what he or she has experienced and song lyrics written during this time are included, as well as a companion study guide for the reader's journey in experiencing a similar

blessing that is only the beginning of worshipping at a deeper level.

World visions and dreams begin at home and then grow large, in that order! A Deeper Level is **MUST READING** for every Christian or spiritual being serious about the anointing that is one's divine birthright!

This is a must have book to live and share, in that order! One of the best spiritual books this reviewer has read in a very long while!

A must read for ALL leaders & anyone desiring to go **DEEPER** with God

By Wendy Borroto

This book was an easy read. It is simple & yet profound. The Truth of the Gospel is Simple yet Profound. We make it difficult, complicated & often unattainable, but the Simplicity of the Gospel is attainable, possible & accessible. All we need is the desire to want to know Him more. To say, "Lord, I believe, now help my unbelief." Or even, "Lord, I want to want more of you. Please put that hunger in my heart because I know that is a desire I should want." We should just ask for the **DESIRE** for more of Him & He'll begin to put those desires in our heart. This book is honest & practical...it's timely & **NECESSARY** if we truly want to walk in the power & authority we were created to walk in. It's a challenge to consecrate ourselves unto God so that we may draw nearer to Him, walk in the Power of the Holy Spirit & start changing this world, one person at a time. Heaven is here & now.....& this book challenges us to enter in the most Holy of Holies.....it is the **CALL** for our generation....but will we respond....??? Great read!!!

**LOVE** this book!

By Kerri L. McDonald

If you truly want to take your relationship with God and your worship to "A Deeper Level," then you **NEED** this book! Israel Houghton speaks frank but with great insight and conviction as he and his team take you through their 40-day fast and the revelation they received. After reading the introduction, my church's worship team decided to continue through the book as they too took part in a similar 40-day fast. I joined them and read through the book twice during the 40 days. It was amazing what God showed us through Israel's writings! Even if you are not ready for your own fast, this book is **WORTH THE READ!**
