'THIS BOOK WAS SO GOOD! I fell hard for Dixon...I would give it more than 5 stars if I had them, but until then... 5\*\*\*\*\*' Wicked Good Reads

'This book. This book knocked me on my butt, it twisted me up in knots and consumed me until the end. Just be warned, it is not your typical romance. It's a wild ride with a naughty, naughty man.' Kendall Ryan

I knew she was bad news when she walked into my office, but I just couldn't help myself...

Filthy, sexy and full of surprises, Juliet is so hot she has me on fire. I've met my match and I can't help going back for more.

Then there's Madison... she's sweet, funny and awakens in me a fierce need to protect her.

But I don't do relationships. I don't usually do the same woman twice.

Juliet and Madison: Two very different women have got me completely hooked.

Who will I choose?

I know who I should choose, but I never said I was the hero of this story, or even the good guy. And besides, who wants to be good, when it feels so good being bad?

My tale isn't for the faint-hearted. If you're game, strap yourself in and expect the unexpected. But don't say I didn't warn you...

Achingly sexy and highly addictive, the first in the Hard Love Romance series will have you hooked.

Note: Previously published as 'Addicted to Sin'.

'Wickedly sexy, provocative and daring with the right dose of the quintessential bad boy...' Heidi McLaughlin

'Monica James is a master of story telling that holds you captive with memorable story lines, intriguing characters, steamy scenes and unexpected twists and turns. You will devour every word she offers. I am officially addicted to Dixon Mathews.' Rachel Brookes

'A captivating, witty, and sexy read. Monica James has written an intoxicating novel that will leave you on the edge of your seat and thirsting for more when it's all over.' Justine Elvira

'Monica James has created another character that I couldn't get enough of. Dr Dixon Mathews kept me

addicted until the very last page.' Lisa Edward

'I am addicted to three things: carbs, books, and Monica James. I devoured this!' CJ Roberts

What a wild roller coaster ride this turned out to be!!! So buckle up!!!

By Luv Books

Ok, my head was literally spinning from reading this book.. lol.... Never read a book where all the characters had issues.... SMH.... One minute I wanted to throttle Dixon then you turn a few pages and you want to love him and give him a hug.. But my oh my he really was a dirty bad boy.... And Juliet OMG!! by the end of the book I just flat out hated her and wanted her to vanish and wished she would fall off the pages of the book but I essentially get that her character was there to teach Dixon a lesson that you should not can not mix business with pleasure... Then there is the innocent Madison.... whew!!! This poor thing... yes that type of abuse is horrible and no one should ever have to endure something like that especially from a family member... but what I didn't get was the fact that she let an old jealous harlots words send her cowering in a dark closet yet when she see's the abuser himself there was no melt down in site; she was more concerned with the evil step sister digging her claws into Dixon... This was written really well and the lines that this author came up with when Dix, Finch and Hunter were hanging out were hilarious... And to think I almost stop reading this and wanted to delete it but now I am glued to bk2 cause I need to know what happens next..
