15 of 16 people found the following review helpful.

Great book

By Buyerpro

I recommend this book for those who plan to work in the ER with no prior ED experience (nursing students, new grads or even nurses from other area of nursing

7 of 7 people found the following review helpful.

Great tool for new nurses

By Raquel Alvarado

Very helpful for a new ER nurse! The indexes in the back on commonly used ER drugs is especially useful!

7 of 8 people found the following review helpful.

I use it everytime I go to work!

By HP_Luv

This book was helpful because it provided good information that was short and sweet and to the point!

Working in the ER can be difficult! Having a reference book on hand can help a whole lot when your work computer doesn't allow you to surf the net for a quick refresher on information a patients family member just asked you!
