Herrschner's Blue-Ribbon Afgans (Crochet Treasury) IS THE TREASURE!

By Amazon Customer

Ok, so I purchased this to replace my lost copy. I made the cover afghan a few years ago in the blue and loved it SO MUCH I made it again, for my mother in browns (she's a browns and beiges sorta persoN) Man I just LOVE this pattern. And there are so many others to try. I am an afghan pattern book collector and have books that are over 35 yrs old and older but this is hands down my most favorite. I have no clue how my original one got misplaced because I keep all of my books in the same place, unless its stashed with a bag of yarn somewhere accidentally but this seriously is THE BEST book for Afghans and I FULLY HIGHLY AND COMPLETELY RECOMMEND IT! Even for just the cover afghan, it makes up so nice. I used Caron Simply Soft and its just so cuddly. This book is a MUST have for your pattern collection.. or to start a collection.

Something for Everyone

By Moogie

This book is packed full of beautiful afghans with lovely pictures and good instructions, the yarns used are standard types. There are several bonus pages with easy to follow directions for learning various crochet and knit stitches. I love crochet and am crazy for books, this one is a keeper.
