BBW Tiger Shifter Romance, standalone, full-length, with a happy ending.

Curvy Anastasia is caught off guard when her hunt for illegal ivory poachers leads her to Caleb, a dangerous, wild, and sexy tiger shifter. He's got a body that takes her breath away, and dark, hungry eyes that devour her at every opportunity.

When she learns he shares her passion for animal conservation, and that he's hunting the same poachers she is, Anastasia begins to question if their chance meeting was actually... fate?

Caleb is a hunter: No distractions, no attachments! He's never wanted a mate... until he meets Anastasia. She's a gorgeous snow leopard shifter, stunning and headstrong, and she leaves his senses reeling. He loves her curvy body, and he knows he must do everything in his power to make her his own, to claim her as his mate!

But the vicious poachers would gladly add a snow leopard and tiger pelt to their trophy walls. Can Caleb and Anastasia navigate their budding love while on the hunt, or will it be a distraction that gets them killed?

Love Of A Tiger

By petula winmill

★★★★★

This is very different to our usual shifter stories. In this author's world these shifters started life as human. Then after a traumatic event shifted.

Caleb is a three hundred year old Bali tiger and the last of the kind in the world. He has been on a personal mission for many years to put as many poachers out of business as possible, one way or another.

Anastasia is a snow leopard in her thirties and works in animal conservation. They meet when they find themselves after the same group.

The timeline jumps about a bit, because in some places they are giving an interview to a reporter. Once you sort that out in your brain, you get dragged right in. It's a very sexy story with lots of scorching hot scenes. A very dangerous adventure in the jungle of Borneo. There is also quite a bit of time spent with them in animal form, some times having great fun, and other times fighting for their lives.

This has got to be part of a series that I will read more of.

Another must read book from A.E Grace!!

By Chris Simpson

I loved this story about Anastasia a snow leopard and Caleb a Bali Tiger. Caleb is close to 300 yrs old where Ana is only in her late twenty's , so he knows a lot more about shifters and what their life's use to be like and how now there are very few shifters left. She works for an agency that goes after poachers and he goes after them on his own. They meet quite by accident , the chemistry between the is hot, and they both from the start feel like they've known each other their whole life's. They figure out they are after the same group of guys and team up to go after them.

The book is full of action , funny times, scary times and hot sex. But the hot sex doesn't rule the book, it's more about two people falling in love, getting to know each other, and working towards a common goal. I loved the book and could hardly put it down. Definitely a must read!!

LOVE THOSE CATS!!!!!!

By Patsy Sacco

This is a must read that I thoroughly enjoyed. Ana, a snow leopard shifter, and Caleb, a Bali Tiger shifter, are both on a mission to save elephants from ivory hunters. It grabbed me from the first page and I couldn't put it down. Loved hearing from both Ana and Caleb's point of view. The chemistry between these two was hot. This story is full of suspense, non-stop action, some violence, fun and hot sex, with romance and love. Don't miss out on this one!!!

I received this book as a gift for an honest review. Patsy Sacco
