NOBODY LOVES ME: AN INSIGHT INTO CHILD SEXUAL ABUSE AND MALTREATMENT TRAUMA BY LYNNE M. FIORE PHD PDF

The United States national child maltreatment estimates for the Federal Fiscal Year (FFY) 2007 reported: an estimated 794,000 children were victims of maltreatment; more than 3.5 million children received CPS investigations or assessments; the national estimate of 1,760 children died of abuse or neglect in 2007. The information presented within these pages is meant to educate and raise awareness about the heinous crime of child sexual abuse, maltreatment and neglect. Child abuse is a criminal act, punishable by law, and has the magnitude of a national crisis. We must urgently improve the protection, prevention, and treatment strategies for children who suffer abuse and its debilitating consequences. May this work be a beacon of hope in the darkness of despair, lighting the path towards a brighter day.

Working with or suffering from childhood sexual abuse? Read This.

By Jane A. Magarigal

If you are an abused child or a person who works with abused children, this book is a must. *Nobody Loves Me* begins by taking you on the author's own horrific experience of childhood abuse--an honest, open, and frank tale. The result of these earlier experiences included substance abuse and all that goes with that, recovery, and an amazing dedication to helping children and teens whom have experienced the same. The depth of what sexual abuse does to children and how it affects their lives is cover in great detail as Lynne tells her journey and the stories of many of these kids living in safe housing. But more, the effects of childhood abuse (sexual and otherwise) is strongly support by the quantitative analysis of her research. Beautiful written, impressive scientific methodology. I highly recommend this book.
