Suzy Denton thought she had it all: a great job as an event planner for Danvers International and a committed relationship to her high school sweetheart....

But now her life has gone to hell in a handbasket. Not only did she discover her fiancé cheating, but a recent corporate merger is making her job very difficult - mostly due to Grayson Merimon, wealthy CEO. Gray is a man who goes after what he wants. And, after their first meeting, he wants Suzy.

Even though he looks like every fantasy she's ever had, Suzy is wary of the powerful businessman. She likes her newfound independence, even if her best friend thinks it's an excuse not to risk her heart again. Besides, she doesn't think Gray could ever be interested in a relationship with someone like her. When he calls her bluff, Suzy agrees to one night together.

But when circumstances continue to throw them together - and with Gray determined to show her that two opposites can be a perfect fit - Suzy realizes that she might just have found the one man who can give her what she's always needed....

Engaging story, but the editing...

By Suzie

I loved the story and the chemistry between Gray and Suzy. There was completely more to the characters than what they each originally saw. The secondary relationship between Nick and Beth was also fun to watch. It'll be interesting to see how Beth explains that to Suzy in the next book. There was also a hint at the characters for book 4 with the introduction of Declan and Ella.

Unfortunately, the book was riddled with errors...typos, wrong words, extra words, missing words...mostly things a spell check would not have caught. It always makes for a difficult read when you have to mentally stop and figure out what word(s) should have been next in the sentence. It needs another go around with the proofreader.

I'm looking forward to the next installments, but will be leery of the editing.

Loved it...."Not Planning on You " from Sydney Landon's series....easy read ....!

By Jen

I loved this book after reading the first of the series I had to get "Not Planning on you". Suzy is so funny, spontaneous, affectionate and original ....I laughed so much while reading this book it was hard to put in down until the end. I am looking forward to the other book from this series! I LOVED IT .....! I give it 5 Stars!

This was a great series to read after detoxing from "Fifty Shades" such an easy, entertaining, satisfying read!

Not Planning on you

By Susan W. Stichler

Well written but just plain dribble..no real plot.....I actually bought the second book expecting something to happen to the person because it was listed in non fiction, but after the second book and it was still just sex and blow by blow of their regular day to day life I felt like i just wasted my time and money.
