Most helpful customer reviews

3 of 9 people found the following review helpful.

Spirit in the World

By 115 man

this is an outstanding book which reviews the the concepts of the spirit in the world While this may seem like a duplicity of the title of the book, the depth of this concept of God's Spirit as a gift to us, in this world as a creative force to guide us, is concept of great depth. Rahner explores the vastness of this topic in a readable and understandable way.
