Terrorism: The Bottom Line

By Joseph Stutler

This edition is an excellent review of Terrorim. It provides the history on how terrorism was used in the past and an excellent anology of the current events. I am using the book for undergrad students at the university and highly recommend it.

great!

By trubbs

great book! this was the assigned/required textbook for my "intro to terrorism" course and all of us in the class enjoyed it. shipping time was just as promised and the book came in perfect condition. thanks!

... it used however the condition of the book is terrible (spines of book falling apart

By DC

Bought it used however the condition of the book is terrible (spines of book falling apart, heavy damage to cover) hopefully it will last the semester.
