THE LONELY SEA BY YVETTE ALLUM PDF

This is the extraordinary true adventure story of how Sue Dockar survived for two days and two nights lost alone at sea after being swept away during a spearfishing contest in the shark infested waters off the Queensland coast. The Lonely Sea shows how a series of small and individually avoidable errors dominoed into inevitable disaster. James Cameron, director of Titanic, describes it as "exactly the kind of true grit survival story that I thrive on".

Gripping real life survival story

By Paul Roberts

Brilliant and gripping account of a real life at-sea survival story. The mounting tension as the hours draw on is palpable. Very well researched and brought to life - especially recommended for anyone with a fascination for the sea.
