THE SEDUCED (ROGUES OF SCOTLAND 4) BY DONNA GRANT PDF

New York Times bestselling author Donna Grant returns to the Highlands in the final book in her blazing Rogues of Scotland series complete with breathtaking romance and the enchantment of the paranormal.

HER NEED

For centuries, Innes MacKay's family has been tasked with protecting a sleeping warrior prophesied to be the savior of their clan. From the moment Innes took over guardianship, the handsome Highlander became her closest confidant - and the object of her fantasies. When fate makes clan MacKay ripe for takeover, Innes wakes the man from his enchanted sleep ready to do whatever is necessary to save her people, even if it means never giving in to her heart.

HIS DESIRE

Kept ageless and asleep for two hundred years, Daman Thacker wakes with no memory and no voice, his driving desire to find the woman who comforted him during his endless slumber. Her voice and touch seduced him, and now that he's awake, he will do anything to find her and make her his. Unfortunately, helping her save her clan may require letting her go...

This all-new, never-before-published novella is approximately 20-25,000 words.

For an afternoon's escape read – you need look no further than this series!

By Gaele

What a wonderful ride this little series has been: 4 young highlanders cursed by a gypsy are each sentenced to 200-ish years of isolation and penance. Last to come to life is Daman, reputed to be the savior of Innes McKay's clan. Believing she alone held the secret, Innes spent many hours visiting and talking to the sleeping warrior in a cave not far from her keep. With her father's death sending the clan into tumult, her own brothers Alistair and Donald are locked in a battle for clan control, and Innes fears the end is near.

When Daman wakes, he is instantly drawn to find something – but he knows not what. His memory, along with his voice are lost. Functioning on instinct, he hears the voice of Innes, and is instantly drawn to her. Saving her from a very angry and murderous Donald, Alistair and Innes welcome him into their clan.

The connection between Innes and Daman is instant – there is a communication that surpasses all words, yet Daman must watch her betrothal to a rival clan head to ensure the safety of the withering McKays. It is here that his friends: Ronan, Morcant and Stefan find their long lost friend.

Action, suspense and the final answers to the curse as the story comes full circle with Daman's experience. A lovely series with each character presenting with their own issues to overcome on their way to finding love some 200 years after their own time. Final answers about the curse and a lovely epilogue at the end brings this series to a close. For an afternoon's escape read – you need look no further than this series!

I received an eArc copy of the title from the author for purpose of honest review for The Jeep Diva. I was not compensated for this review: all conclusions are my own responsibility.

Much appreciated, but fall just short

This forth book was much anticipated. I could hardly wait to see what happened with Daman. It was ok but, a let down at the end. Would have liked to have more closure since this was the final book.

REVIEW:

Another great story from Ms. Grant!! I am sad to see the Rogues of Scotland come to an end. But it was a fun ride. I loved seeing how each of the guys handled their imprisonment and then their release. I will say out of all of the guys I think Daman might have been my favorite. He was the one that seemed to have his head on straight from the beginning. Yet he still was doomed to the same fate as the rest. But in The Seduced we finally learn why the Gypsy's cursed them.

If you have not picked up this series and are looking for a quick read you really should check them out.
