THE SLEEPING GIANT: THE AWAKENING OF THE SELF-EMPLOYED ENTREPRENEUR. TWENTY INSPIRING STORIES FROM GLOBAL ENTREPRENEURS. BY KEN MCELROY PDF

The idea behind *The Sleeping Giant*, Ken's fourth book, is to help inspire people to believe that they can be part of solving the world's economic problems by creating businesses - which in turn create financial freedom, job growth and reduce reliance on other sources. Entrepreneurship and self-empowerment are becoming the new American dream. *The Sleeping Giant* is awakening! A generation of self-employed entrepreneurs are ditching the corporate ladder and creating their own destiny. They're the new Business Class - an army of self-employed entrepreneurs millions strong living out their passions and changing the world by creating jobs and prosperity. This book brings together 20 entrepreneurs, each sharing their powerful and inspiring stories of how they found success through self-empowerment. Each one started with an idea - and most had no experience and no money. Yet their stories are of lives of freedom, passion and fulfillment.

No BS~

By Sidney

If you're truly serious about having a successful business, this book should be part of your entrepreneurial library. The best part about this book? Reading the success stories of these key individuals feels like your sitting down and having a conversation over coffee. No BS and all understandable and real. Situations that I could relate to 100%.

I will keep this book forever and re-read the chapters for added inspiration and motivation.

Awakening The Sleeping Giant within you.

By George Almodovar

I've read it more than once and loved it. You'll love it as well when you get to read about different individuals from different walks of life and different writing styles showing you how they accomplished financial freedom and how you can accomplish it as well. You'll not only enjoy it, you'll also be inspired and motivated to venture out and go even through adversity to accomplish your dreams. You will believe that if they did it, so can you! See what they went through and endured before becoming millionaires. I highly recommend it.

To Your Success,

George Almodovar

Love it

By Amazon Customer

The forward made me cry. Yes, seriously. From a place in my heart that's so full of gratitude toward God and for people like Ken who freely give this wisdom to people like me who feel inadequate and overly cautious, but have such a love for what we do and a drive to never give up. People need to know that others have gone before them, and had the courage to pursue their dreams and passions. It's what makes your dreams tangible and achievable! They're not a whole lot different than we are, and to me, that means I can do it too.

The stories inspire me beyond what words can express. I LOVE this book!
