into the lives of many great Christians of the past

By Travis Snode

Written from the heart of a man who has been used by God to help turn a part of the world upside down for God, this book will encourage, inspire, and challenge you to give your life completely to God. Jeff Bush was a very successful missionary in South America, who made a big impact in many lives. Through this book, you get insight into his heart, into the lives of many great Christians of the past, and more importantly into the heart of our God to use men and women to bring glory to His name. Each devotional is short enough to be used on a consistent basis in family devotions or Sunday school but deep enough to really challenge. I highly recommend this devotional guide for you, your family, your church, and your friends.
