YouTube Video and SEO Tips: The Best SEO For YouTube Videos

It's no secret that YouTube is a traffic source with almost limitless potential. There's only one problem. It's a very crowded place. In fact, according to YouTube, there are more than 100 hours of video uploaded to the site every minute.

Considering the deluge of content you have to compete with on YouTube, the obvious question is, how do you get people to watch YOUR video instead of the millions of others?

The answer?

Video SEO.

I bet that most of your competition lazily uploads their videos and hopes that one of them "goes viral". Needless to say; this rarely, if ever works out. But if you take the time to optimize your videos for SEO, you will get significantly more traffic than your competitors.
